Remote Interpreting Reliable Interpreters

State Registered Interpreters.

 uses *only* local interpreters!

Interpreters are ...

- ♦ the same people you see in person.
- ♦ PA Act 57, ODHH compliant.
- ♦ trusted communication access professionals.
- ♦ flexible to your needs & committed to quality.

And always...
**Reliable, Consistent
& Professional**

You & The Deaf community.

 expands your access to communication!

Worried you're not ADA Compliant?

Have you had to say ... ?

- ♦ "there are no interpreters local".
- ♦ "it's too expensive".
- ♦ "we don't know how to find one".

Not any more!

Now, the Deaf community can
access your services with ease.

Technology makes the connection.

With  there is **NO** special equipment necessary.

Do you have ...

- ♦ a computer with webcam & internet access?
- ♦ a video phone?
- ♦ existing video conference equipment?
- ♦ an iPad?

If you answered yes to any of the above,
you're all set - let us show you how!

Consult. Communicate. Connect.
